A. Partea I: CITIT

Read the texts below and choose the correct answer a, b, c or d.

Newport is a beautiful seaside resort. There are no big factories, so the air is fresh and healthy. There are some parks with trees and flowers in my neighbourhood. You can walk in South Park and even go out in a boat if you like sailing. There is also a zoo in the park. Many animals live there: monkeys, zebras, giraffes and a huge elephant.

There are some new shops in the centre of the town, but there is no supermarket. If you want to buy fresh fruit and vegetables you can go to the market in Bowery Street.

There are many old buildings that you can visit, and three hotels where tourists can stay. There is an interesting museum opposite the Town Hall. There is a small cinema next to the museum.
